Crafting iconic addresses in Central Delhi since 1995

Purearth Infrastructure Limited is a joint venture between DCM Limited, one of India's most trusted business houses, and the Thakral and Khattar Families based in Singapore

We are committed to developing and co-developing world-class residential, commercial, and industrial assets that blend legacy, innovation, and international standards. With a vision to shape landmark developments in Central Delhi, we have emerged as a trusted name in real estate, delivering spaces that embody excellence, and long-term value creation.

Our portfolio includes The Amaryllis, a luxury residential project and Central Square, a 900,000 sq. ft. Industrial Complex in Central Delhi.

Building Successes Since 1996

Serving the real estate industry since 1996 and witnessing more than 25 successful years, Unity Group has reached heights by combining practicality with functionality and aesthetic qualities keeping in mind the changing tastes and needs of consumers.

Unity Group has successfully marked its presence in the real estate industry and delivered more than 15 million sq. ft. projects in the Commercial and Residential sectors. We have also established our presence in the Hospitality, Retail, Education, Healthcare, Automobiles & Marble industries.

Unity group has delivered more than 150 successful Real Estate developments across Delhi, including residential projects, mixed-use commercial developments, healthcare developments, and multi-level parking developments.
